

Free night in Rome feedback form draw

Terms and conditions

This draw applies to the two official BoxtoberFest 2026 feedback forms:

Delegates (white lanyard): www.fedessa.org/fedessa-conference-2026-delegate-feedback.html

Exhibitors and sponsors (red lanyard): www.fedessa.org/fedessa-conference-2026-exhibitor-sponsor-feedback.html

1. The draw is open to everyone who attended BoxtoberFest 2026 and completes one of the feedback forms above by **31 October, 23.59 CET**. One entry per person, however many forms you submit. FEDESSA and SSA UK staff are not eligible.
2. Only complete and constructive forms are entered into the draw. Complete means every question has been answered. Constructive means the form gives honest, usable feedback, including at least one comment or suggestion in the open questions. Forms that are left largely blank, contain only one-word answers or are abusive will not be entered. FEDESSA decides whether a form meets these criteria, and its decision is final.
3. Entering is free. To be included in the draw, please give your name and email address on the form.
4. One winner will be drawn at random on **2 November** and notified by email. If the winner does not reply within 14 days, a new winner will be drawn.
5. The prize is the cost of one hotel night in Rome during FEDESSA 2027 (5–7 October 2027), refunded up to a maximum of €150, including taxes. Any amount above €150 is paid by the winner.
6. To claim the refund, the winner sends the hotel invoice, in their own name or their company's name, to **admin@fedessa.org** within 30 days of the stay. FEDESSA refunds the amount by bank transfer within **30** days of receiving the invoice.
7. The prize covers accommodation only. It does not include a FEDESSA 2027 conference ticket, travel, meals or other expenses. It cannot be exchanged for cash and is not transferable.
8. FEDESSA may publish the winner's name and company in the eNews. Entry details are used only to run the draw. FEDESSA reserves the right to amend or withdraw the draw if circumstances beyond its control require it.
